Rare Invertebrates of the Cairngorms, by Gabrielle Flinn.

Thursday 21<sup>st</sup> February, 19:30-21:00

After two years, the Rare Invertebrates in the Cairngorms (RIC) project has covered immense ground with regards to conserving and raising awareness of some of Scotland's rarest insect species.

The RIC team have had the pleasure to explore some of Scotland's most spectacular landscapes whilst hunting for six-legged treasures.

During this talk, Gabrielle Flinn will give an overview of the aims and progress half way through this ambitious endeavour.

Evening Talk takes place from 7:30pm at the University of Aberdeen's Zoology Building, Tillydrone Avenue, Aberdeen, AB24 2TZ.

No booking required, all welcome. Free event.
